The image shows a screenshot of a software window titled "Update Staff". The window contains a warning message: "Warning: All passwords are visible!". Below the warning, there are four input fields: "Enter or Select username:" (with a dropdown arrow), "Password:", "Select Access Level:" (with a dropdown arrow), and "Password Verification:". To the right of these fields is a vertical stack of buttons: "Add/Update", "Delete User", "View All", and "Done". At the bottom of the window, there are two more input fields: "Name:" and "Employee ID:". A small icon of a person with a checkmark and the word "Staff" is located at the bottom right of the window. Dashed lines with labels point to various elements: 600 points to the window title bar, 612 points to the warning message, 602 points to the "Enter or Select username:" field, 604 points to the "Password:" field, 608 points to the "Name:" field, 606 points to the "Employee ID:" field, and 610 points to the "Staff" icon.
